ALBANO YTES.

The immense stock of **ALBANO YTES** cannot be more so generally known, and appreciated in this, a most important place, as the **ALBANO YTES** have been in the city of Buenos Aires since the year 1840, and have since that time been the most successful and profitable business in the city.

The Bank of **ALBANO YTES** in Montevideo has already provided for the growing class in that city, a safe and profitable depositary for their savings.

The sum deposited in that most important institution is daily increasing and already reach a very large amount.

These advantages have no, hitherto been enjoyed in this city by any institution, number of Clerks, artisans, and laborers, and all other classes of the community, who are equally interested in putting their savings out to use, and in the most profitable manner.
